

LUXFETISH

RECHARGEABLE 4-FUNCTION AUTO PUSSY PUMP WITH CLIT CLAMP

OPERATING THE PRODUCT

TO BEGIN:

1. Fully charge your device before use.
2. Ensure the sleeve is attached onto the base of the pump.
3. Place pump on top your vagina.
4. Press the **+** button to power ON the device. Press the **+/-** button to increase and decrease suction pressure.
5. Press the **🔌** button to release pressure if necessary.
6. Adjust the pressure/intensity to a comfortable level and enjoy the stimulation.
7. To power OFF your device, continuously press the **-** button until the device turns OFF.

NOTICE: It is recommended to use personal water based lubricant before using the device. Apply only minimum amount of suction necessary to achieve desired erection. Excessive suction may bruise or injure penis.

CHARGING: While charging, the indicator lights will cycle through repeatedly. When fully charged, the lights will remain lit.
It takes approximately 2.5 hours to fully charge, for up to 2 hours of use.

CLEANING: The control panel should **NOT** be immersed or submerged in water. To clean, wipe with a damp cloth and let air-dry.

Detach the control panel before cleaning the clear chamber and sleeve. Wash thoroughly in running water and avoid using hot water or any alcohol based cleaners for the sleeves.

NOTICE:

- Avoid over-rigorous pumping.
- This product is intended for the use by a single user.
- This vacuum pump should NOT be used for more than 15 minutes continuously and should not be used within 24 hours of its use.
- Do not fall asleep while using the vacuum pump, or while under the influence of alcohol or drugs. The user needs to be in control of the product at all times.
- Consult a doctor before using the vacuum pump if the user experiences any discomfort in the genital area.
- The user must be in full control of his hands to safely use the device with the strength to push the pressure release button.

TROUBLESHOOTING:

Experiencing any discomfort or pain while device is in use?	- Pumping too rapidly	- Use more lubricant
Having redness, irritation or bruising?	- Over-pumping	- Slower Pumps - Fewer Pumps
Rapid loss of Pressure	- Poor seal - Inadequate lubrication - Excessive pubic hair	- Apply firm pressure to the body - Trim pubic hair

Sold as a novelty product only. Not suitable for medical purposes. If you are under a physician's care and/or have a condition requiring the use of any medical device, please consult your doctor before using this product. Stop using the product immediately if you experience any skin irritations, pain or discomfort and consult your doctor.
