# HARE CARE™

## Cleaning, Storage & Safety

1. Always clean your Rabbit thoroughly before and after each use.

2. We recommend using a premium water-based lubricant when needed. Silicone-based lubricants are not recommended and can cause damage to the product. Never use hand cream, or massage oils as lubricants for your intimate areas.

3. To properly clean your rabbit, use a suitable silicone-compatible toy cleanser. If this is not available, wash the silicone area of your rabbit with luke-warm water and an antibacterial soap. Rinse clean and

pat dry using a lint-free cloth or towel.  
Do not use cleaners containing alcohol,  
petrol or acetone.

**4.** Avoid leaving your rabbit in direct  
sunlight and never expose it to extreme  
heat.

**5.** The mini rabbit is waterproof. After  
use in the bath/ shower, please make  
sure to completely and thoroughly  
dry before storage. For best product  
performance, limit bathtub use to  
15 minutes and no longer than 30  
minutes.

## SPECIFICATIONS

### Materials

Body Safe ABS / Silicone

### Size

28 x 54 x 139 mm

### Weight

82 g

### Battery

Li-ion 300 mAh

### Charging

2 hours

### Use Time

1 hour

### Max Noise Level

<68 db

### Interface

7 vibration patterns
